ABSTRACT

The article under discussion examines teaching oral foreign language communication to students by means of mass media. The author of the article considers that communicative preparatory exercises activate the speech and thinking activity of students and simultaneously immerse them in the sphere of oral communication. These exercises are based on the previously learned lexical and grammatical material.

KEYWORDS: *Set Of Exercises, Formation, Development, Communicative Skills, Students, Pre-Communicative, Conditional-Communicative, Communicative, Communication.*
