ABSTRACT

In New Uzbekistan at the exact time women and men have equal rights. This is enshrined in the Constitution of the Republic of Uzbekistan. The gender factor is reflected in more detail in the Labor Code. The government sets labor standards for women, maternity leave, and work schedules for mothers raising minors. The employment contracts of employers with trade unions also analyze the strengthening of various norms for women's rights.

KEYWORDS: *Gender, Labor Code, Leadership Skills, Women's Rights, Gender Factor, Privileges, Entrepreneurial Woman.*
