ABSTRACT

The article highlights the ongoing innovations in the education system of Uzbekistan and the issues that need to be implemented. We are talking about the compliance of the Uzbek and foreign education system with the standards of the world education system, about the practice that should be implemented in the future, about the changes currently taking place in the higher education system, about what teachers should pay attention to at the moment.

KEYWORDS: *International Standards, Integrtrion, Continuing Education System, Narrow-Profile Specialists, Bachelor's Degree, Master's Degree.*
