ABSTRACT

This scientific article was called "The procedure for concluding a lease agreement between relatives in Islamic law". It analyzed the legal regulations regarding rental contracts concluded between relatives. According to him, the issues of the permissible hiring of his child on a rental basis in works other than household chores, as well as the fact that the child hires his parents for rent, hiring relatives older than him for rent were discussed.

In the coverage of the topic, several of the most moderate sources were used in the Hanafi sect.

KEYWORDS: Religion, Islamic Law, Relationship, Hanafi Sect, Legal System.
