ABSTRACT

In the article, the socio-economic, cultural and educational development of the country has a direct impact on all aspects of the education system. In this context, an important characteristic of the modern educational environment is the prerequisite for successful gender relations. It covers issues of quality education, protection of human rights, gender equality, transparency of state bodies, fight against corruption and labor reform.

KEYWORDS: *Health-Improving Task, Key Words: Gender, Man, Woman, Sexuality, Gender Adaptation, Behavior, Masculinity, Femininity, Gender Education.*
