ABSTRACT

The article examines the place of linguistic terms in the lexical system and the history of their formation. Opinions and definitions on the issues of «terminology», «terminosistem» taken from the scientific works of linguists dealing with issues of terminology in world, world and Uzbek linguistics were considered. Based on this, certain conclusions were reached regarding the formation of Uzbek language linguistic terms.

KEYWORDS: *World Linguistics, World Linguistics, Uzbek Linguistics, Term, Term, Istilah, Terminology, Terminosystem, Terminological System, Nomen, Word, Combination Of Words.*
