ABSTRACT

The use of phraseological units in speech contributes to the development of a sense of language, expands knowledge about language, enriches speech, makes it figurative and expressive. The presence of a large number of phraseological units in a language shows its richness, and one cannot study a language without studying its phraseology. This article describes phraseology from all sides and gives a clear definition of it.

KEYWORDS: *Phraseologism, Phraseological Unit, Phrase, Time, Movement, Process.*
