ABSTRACT

The simple and short writing style of the work led to the use of words that are somewhat difficult to understand. For this reason, commentators felt the need to give their comments to the work. At this point, let's talk about the large number of comments written on the work. The work was found to be a very useful work in terms of content and jurisprudence. As a result, the high demand for the work led to an increase in reviews of the work.

KEYWORDS: Ubaydullah Sodrushsharia.
